1 The god - ly cease, the faith - ful fail, A - mong the sons of men;  
2 I know the Lord will deal with lies, The proud will get re - proof;  
3 "I will a - rise, and help the poor," Thus says Al - might - y God,  
4 The words of God can nev - er fail, They're tried and proved and pure;  
5 Though wick - ed - ness should spread a - round, With lies de - ceiv - ing men;

The saints I've looked up to with trust Have let me down a - gain.  
But what a - bout the poor like me? Will they fall from the truth?  
"I'll speak sal - va - tion to their hearts, And keep them through the Word."  
I know that You shall keep them, Lord; They'll be for - ev - er sure.  
You'll keep Your peo - ple through the Word, And keep Your Word through them.
